UNITED STATES OF AMERICA) CASE No. 2:15-cr-00072
v.) Northern Dist. U.S. Court.
JEREMIAH S. FARMER) Judge Phillip Simon.

THE GOVERNMENT MADE ME ATTORNEY R-Kelly
Defendant-Appealant Jeremiah Farmer Request a
Extension to file Docketing Statement Circuit
Rule 3. due to COVID-19, & [REDACTED]

Comes Now, Appellee Jeremiah S. Farmer, pro-se
respectfully files a motion seeking a extension
from the Aug. 27-Sept. deadline to file the Docketing
Statement, and Circuit Rule 3.

A.) Appellee Jeremiah S. Farmer, respectfully request
a extension to file his docketing statement for
the following reasons;

1.) The Covid-19 pandemic prevents Farmer from
having access to law library computer, And
has been denied access to make legal copies.
On a timely fashion.

2.) On 8/24/20 Farmer hand delivered his Docketing statement to be copied to counselour Russell. On Aug. 26, 20 She returned this legal material uncopied, with Aug 27, 20 being the deadline to file this. Farmer showed Russel he had a deadline and ~~he~~ she stated to officer magnut that she can't make copies, violating my due process.

(3) Dist. Court Judge Phillip Simon previously put a order refusing to provide Farmer legal copies of his pro-se Motions.

(4.) Every attorney given to Farmer were eneffective and conspired against Farmer, with AUSA, Judges, Hammond police, and eventually causing farmer to receive erroneous guilty verdicts on all counts with insufficient evidence.

(5.) Farmer with no where else to turn for legal help was forced to assault hip-hop R&B singer Robert Kelly #09627-635 in hopes of getting spotlight attention and world news notice to shed light on the government corruption here in the seventh circuit, mainly in the United States Northern District of Indiana. All while AUSA And Judges turned a blind eye.

Due to the most blatant Government corruption in Farmers case, and being lockdown for Robert Kelly protest, I physically beaten Mr. Kelly in a attempt to shed media spotlight on Farmers case to prove Government Corruption and helping Farmers innocent to prevail. In a attempt to find a effective attorney to help me with my case.

I'm now in the shu and denied all my property legal materials, and can't do legal research.

This continuance is needed, As well as a attorney to help meet dead lines and articulate my issues. and this Covid-19 case is also reason why a continuance should be granted.

I spoke to Mental Swikoshy on the morning of the assault to get a different train of thought and this Mental health professional at the MCC states "you don't want to assault Kelly if you did you would had done it, I said some disrespect back and Mental health states "Go do it Then" So I got up stormed out his office and mental health screamed for me to come back I refused and physically assaulted Kelly.

I cannot litigate my case with no legal copies, legal research access and when lockdown.

I'm innocent And Government has controversially tried framing me for my crimes I need a lawyer to help me effectively please.
